

BUDDY WALK MINUTES

October 3rd, 2006

Attending were:

Frank and Caroline Ganz

Mandy Scholer

Kathy Getman

Ann and Tommy Simpson

Nina Trasoff (joined after returning from the city council meeting)

Condiments on the side were requested for subs and hot dogs.

Free drinks should be given attendees.

A first aid kit is required

Helium tanks will be obtained by Yvette or Kathy.

If NROTC can provide a color guard for the walk we would greatly appreciate that.

Event programs/maps will be forthcoming.

Geoff has new nets for the B-Ball hoops.

The loan of a few basketballs would be helpful.

Pepo performs from 4:00-5:00 p.m.

If we use Canelo are plain dogs possible

Outdated election signs would be great to convert to our use (we would be assisting in their recycling)

Poster Boards will be needed for last minute sign making.

An information table near the registration area would be a plus.

Bags donated by Target will be useful for holding exhibitors brochures.

Jeannie Bergin from Channel 12 will attend our event with or without cameras.

Raffle/Silent Auction final lists will be forthcoming when the items are all in.

Dollar Store items are great for the raffle (some items from last year may be housed by Carolina and Eric.

Are canvas Buddy Walk bags available through John Wilhelm?

Nina informed us that the media are looking for a newsworthy "hook" in order to grant us airtime.
